KC 144

Pigment Black for Utility Purpose

Product Highlights

HIMADRI's KC 144

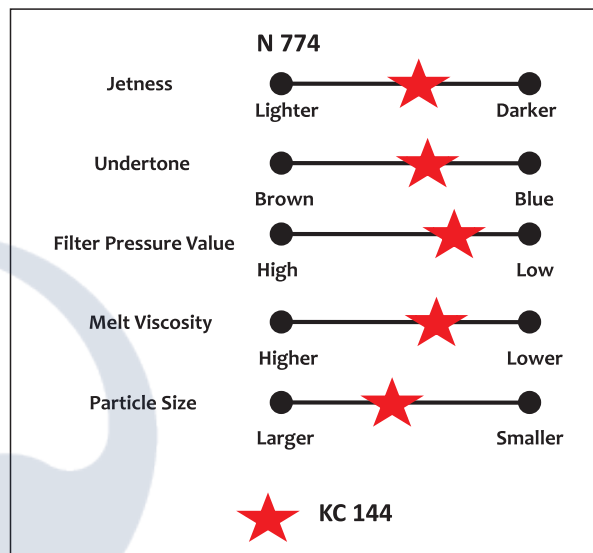

Specialty Carbon Black is a high structured black which gives better processing. It has excellent loading capabilities offering a good balance between cost and better performance. It is a cleaner black with minimum ash content and has wide applications in ink industries. It has minimum opacity owing to negligible sulfur content, hence appears jetter. It has a blue base which can be modified according to the customer requirement. Best suited for masterbatches, pipes, films and moulded articles
